

FOR TYKES

Baby steps through the shopping list will take you to a bunch of brand new stores, plus a few with new locations.

It's only 2 weeks old, so there are tons to choose from at **JILLIE BEANS TOYS & MORE** in the new Westminster Crossings shopping center west of Interstate 25 at 136th Avenue (303-452-5885). Jillie Beans specializes in creative play toys, including sweet wooden puzzles from ImagiPlay in Boulder, but there are, of course, concessions to the craze of the day: tiny stuffed dogs in tiny purses.

Tiny PawParazzi dogs are available at Jillie Beans in Westminster.
